HOPEFIELD WIND FARM
LOCAL COMMUNITY COMPANY

APPLICATION FOR FUNDING

INTRODUCTION:

The main object of the Hopefield Wind Farm Local Community Company (HWFLCC) is to:

"(ii) carry on in a non-profit manner and with an altruistic and philanthropic intent, socioeconomic development programs for the benefit of the public in general but with the specific objective of facilitating sustainable access to the economy by previously disadvantaged communities which reside within the 50km radius of the Hopefield Wind Farm and provided that:

(a) at all times, at least 85% of any expenditure by the Company shall be for the benefit of individuals classified as African, Indian or Coloured persons who are South African citizens by birth or descent or are citizens of the Republic of South Africa by naturalization occurring before 1993 or occurring after 1993 but who would have been naturalized prior to 1993 but for the Apartheid policy; and

(b) all of the activities of the Company shall be based in the Republic of South Africa."

NATURE OF FUNDING:

The aim of The Hopefield Wind Farm Local Community Company is to contribute to the following sectors:

- Education
- Social Welfare
- Health
- Development

WHO CAN APPLY?

All registered NGO`s/schools/Early Childhood Development Centres/local individuals or any other applicable organisation who render community upliftment services in the Saldanha Bay Local Municipality.

SELECTION CRITERIA:

The following criteria will apply during the selection process:

- Each applicant will be assessed on its own merit.
- Both existing and new/planned projects may be applied for.
- Applicants must submit written applications detailing the proposed project in full.

HOPEFIELD WIND FARM
LOCAL COMMUNITY COMPANY

- A copy of registration documentation/certificates as well as a letter of request for funding must accompany the application. Students must provide a quotation from the relevant College or Institution detailing the registration fees or textbook costs.
- Schools and Early Childhood Development Centres must have an approved letter by their Governing Body requesting funding.
- All applications who do not comply with the requirements as stated above will not be considered.
- The decision of the HWFLCC is final and no further correspondence will be entered into after adjudication.

PROPOSAL FORMAT:

Applications must be submitted on the formal application form, together with the supporting documentation. Apart from the written proposal, applicants are encouraged to also include visual support material (for example photographs, newspaper clippings, letters, illustrations)
